

Research shows:

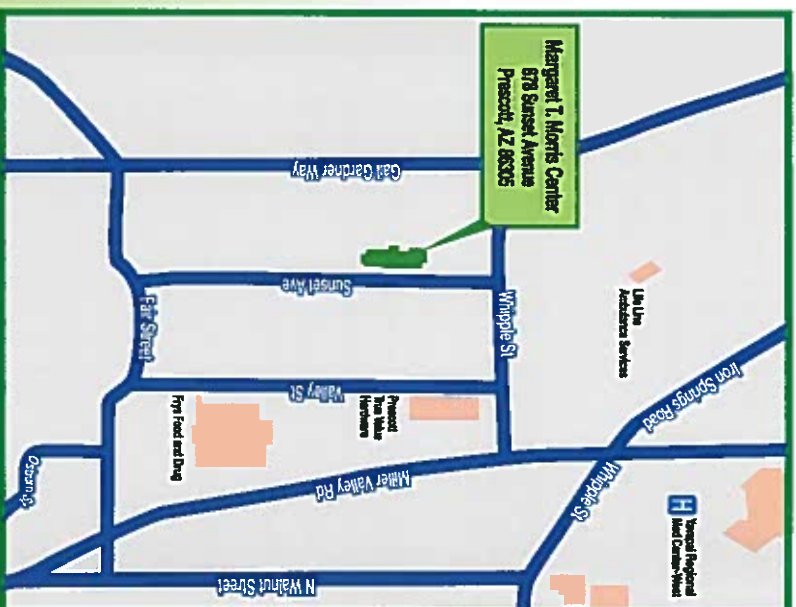

100% of our families would refer others to The Margaret T. Morris Center.

- **Peace of mind** knowing their loved one is receiving exceptional care.
- **Open visiting hours:** day or night.
- **Support** through education, counseling and meaningful social opportunities.
- **Joy** in becoming a family member again, rather than a caregiver.
- Our **simple all-inclusive pricing** based on private or semi-private room. Cost does not change through the varying levels of care common in dementia care.

Residential Dementia Care

**The
Margaret T. Morris
Center**

**Northern Arizona's only
assisted living community
dedicated solely to caring
for those with Alzheimer's
disease and dementia.**

878 Sunset Avenue
Prescott, AZ 86305

928-445-6633

Since 1999, the **Margaret T. Morris Center** has served people living with Alzheimer's disease and other forms of dementia. As the community's leader in dementia care, we take pride in our unparalleled care and programming, unique building design, non-profit management status, and longevity of staff.

Our residents and families have an exceptional experience through our:

- **Award-winning therapeutic garden featuring one acre of heirloom apple and plum trees, plants that draw hummingbirds and butterflies, a koi pond, and children's play area—an amazing sensory experience!**
- **Friendly neighborhood-style building design that positively affects everyday living. Bedrooms open out to a home-like living room and dining room area, without long lonely hallways. Residents are seen and see others, having their social needs met and helping to alleviate isolation and depression.**
- **Expert dementia care and open communication from on-site Master's level registered nurse (MS-RN) and Medical Director at all levels of care, early stages through end-of-life.**
- **Compassionate personal care by caregivers certified through the Arizona Board of Nursing Care Institution Administrators and Assisted Living Managers, in conjunction with the Arizona Department of Health Services with additional and on-going dementia care training.**
- **Stimulating full life enrichment program that honors residents' past and encourages current abilities and preferences, including music therapy and horticultural programming.**
- **Additional on-site support such as: full service beauty/barber salon, Foot Angels and vision and dental programs.**

The Margaret T. Morris Center's passionate and loving care team supports each resident and family through their own very personal and unique journey.

ADULT DAY CENTER

The Susan J. Rheem Adult Day Center

Serving Northern
Arizona families as an
alternative to in-home
care, assisted living or
nursing home settings.

3407 N. Windsong Dr.
Prescott Valley, AZ 86314

928-775-3563

Since 1982, The Susan J. Rheem Adult Day Center has served thousands of participants 18 years of age and older. We serve those living with Alzheimer's disease and other forms of dementia, as well as those with cognitive and physical challenges.

An Arizona Department of Health Services licensed adult day health program, The Susan J. Rheem Adult Day Center provides people an opportunity to get out of the house, experience social interaction, maintain independence through choices of activities and freedom to make decisions.

Our participants experience:

- **Wellness** by our on-site nurse to support medical and personal care needs.
- **Increased Self-Esteem** through active engagement and encouragement of their abilities.
- **Freedom** to make choices.
- **Happiness** by engaging with caring staff and seeing friends consistently.
- **Contentment** by participating in music, art and garden programs.

The Susan J. Rheem Adult Day Center understands that the task of care giving can be extremely challenging and provides families and caregivers time to work, run errands, or have much-needed respite, all while having peace of mind, knowing their loved ones are safe, secure and engaged in life.

Our Day Center offers families the most comprehensive and cost effective option in long-term care today! We also offer financial solutions with contracts with the VA, ALITCS, NACOG, DDD and long-term care insurance policies, as applicable. Other funding may be available through the northern Arizona chapter of the Alzheimer's Association, The Arizona Caregiver Coalition and private scholarships.

Lastly, we offer, as available, our convenient and time-saving transportation and shower programs, both at a nominal fee.
