Serving you and your organization with strategic quickness, business agility, and the power of insurance knowledge.

Local Agency ♦ National Resources

Brown & Brown is one of the nation's leading independent insurance agency organizations, with over 70 years of continuous experience within the industry. We offer you experience, skill and innovation in arranging your business insurance needs. You deserve the kind of service and insurance knowledge, combined with local expertise, which we offer. With offices in 38 states and access to virtually all forms of insurance protection, from property and casualty, to life, employee benefits, surety bonds, inland marine and more, we are ready and able to assist you in making a favorable impact on your business and/or personal bottom line. Though our customers' needs are diverse, we believe they're all searching for the best value—the best their insurance dollar can buy.

The company was founded based on the principle that each customer is entitled to the finest in fair and personal service at all times. That's still true today in each of our branches.

Service

It is our mission to provide a comprehensive and competitive insurance program for each and every one of our clients.

Your account is serviced by an experienced insurance professional, working with you in a one-on-one relationship. We are part of a service team, dedicated to learning all of your needs and then, with your input, structuring and recommending the coverages to fit your needs. We are dedicated to advising, servicing, and to offering you the best professional insurance expertise through our years of experience.
