## Assisted Living Community in Prescott Valley, AZ

Glassford Place, our senior living community, is homelike and cozy and provides our residents a close-knit family atmosphere. We develop individual care plans to meet the needs of each resident, and a full-time registered nurse is available 24 hours a day to provide clinical oversight and coordination of care. Our community welcomes pets and offers activities to help residents thrive in mind and body, such as bingo, church services, dominoes, arts and crafts, exercise classes, and live music. Our residents choose the destinations of outings, including shopping, restaurants, band concerts, and movies. Our residents deserve the best, and we work hard to offer them the highest standard of assisted living care.
